

Hello WinniHOG 2529 friends!

Are you a leader?

Do you always seem to be the person that your friends always come to and ask you to lead them on a ride?

Do you have a list of interesting places that you like to take people to?

Were you a Road Captain in the past with this or another chapter and would like to lead rides again?

Well we may just have the job for you. Why not sign up and become a Road Captain with Winni HOG!

If you are organized and can take direction, the process is easy to become a Road Captain.

For those that are new to this, we will take it slow and outline the steps required to achieve Road Captain status. Lots of training will be provided and you can do this at your own pace. There is no rush or pressure to become a Road Captain in a certain period of time. It is more important that you learn the required skills and are comfortable with leading a group of people following safe and ethical guidelines.

To give you an idea of what is required to become a Road Captain:

- **Be a Winnepesaukee Chapter Member in good standing for a period of one (1) year, or have previous experience as a trained Road Captain**
- **Participate in a minimum of three chapter rides**
- **Complete Winnepesaukee HOG Road Captain Training**
- **Shadow the Lead RC for one Winni HOG Ride**
- **Satisfactorily assist on a chapter ride as “Sweep RC” (prior approval of Head Road Captain is required) while shadowing an experienced RC assigned as sweep for that ride**
- **Satisfactorily plan and lead one (1) ride under the supervision of the Head Road Captain (or his/her designee) and perform adequately (in the opinion of the trainer) in all aspects of the Winni HOG RC SOP**
- **RECOMMENDED (Not required) Training - NH State Experienced Rider Class (ERC) or equivalent, Accident Scene Management Class, American Red Cross First Aid/CPR/AED Certification**
